OUR ROOTS

Farm Bureau Insurance is one of Michigan's most trusted insurers. We were founded in 1949 by Michigan farmers who wanted a company that worked as hard as they did, gave honest service, and cared about Michigan's future. Those values still guide us today and are a big reason why we are known as "Michigan's Insurance Company."

As a multi-line insurer our mission is to protect the people of Michigan from the risks of everyday life. Overall, Farm Bureau Insurance protects more square miles of Michigan than any other company, and we're committed to helping more and more people protect their piece of Michigan.

Michigan is our home...and we're here to stay, dedicated to bringing safety and security to Michigan families and businesses in good times and bad.

OUR SUCCESS COMES FROM OUR AGENTS!
